

FURNACE CONTRACTORS

Our furnace contractors are pre-qualified to do furnace upgrades through the Energy Efficiency Assistance Program and Métis Energy Efficiency Offers.

All furnaces installed through this program are guaranteed to meet the highest energy efficiency ratings.

We work directly with your chosen, pre-qualified contractor to make sure your energy efficient upgrade is simple and easy! This includes completing the paperwork for the \$9.50 or \$25 per month payment to be added to your Manitoba Hydro bill.
