**If you require additional text space for any answers they can be included as an attachment.**

To strengthen your application, we recommend that you provide as much detail as possible in your responses.

1. Please list and briefly describe any energy efficiency or sustainability initiatives implemented by your community within the last 5 years.

2. If applicable, please list current policies or initiatives that your community has related to energy efficiency and/or sustainability efforts.

3. Please provide a brief rationale and justification of need for energy advocate support.

4. What are the community's energy efficiency or sustainability goals for the next 3 to 5 years?

5. Efficiency Manitoba can contribute up to a maximum of \$40,000 in funding for the energy advocate part-time position. Additional funding from the community towards the salary is not required, if you are contributing additional funds, what is that contribution?

6. Based on a \$40,000 funding agreement, a minimum of 30 hours per week is required. How many hours per week do you estimate the Advocate will work?

7. If your community is selected for funding, please describe how the Energy Advocate will be hosted. (e.g. office space, access to a computer, building access, desk/office, mobile phone, etc.)..

8. Please provide an overview of your community's approach to developing your community energy efficiency plan. Please list any community groups (e.g. Elders, Youth, etc.) that would be engaged in developing your community energy efficiency plan. Include the objectives, scope and vision.

9. Please provide a brief overview of how you plan to engage the community in the plan (e.g. Presentations, door-to-door canvassing, newsletters, local radio, social media, etc.).

10. Do you have any additional comments you'd like to provide?

**Please be advised that your application does not guarantee your acceptance into the program. If you are not selected for funding this year, we would still like to work with you to improve energy efficiency in your community.**

## Section 2: Applicant Acknowledgement

1. I acknowledge that if this application is selected the applicant will be required to enter into a funding agreement with Efficiency Manitoba to receive funding.
2. I acknowledge that receipt of this application does not obligate Efficiency Manitoba to provide funding to the applicant.
