

NEW HOMES PROGRAM REBATES

New Homes Program Rebates		
Prescriptive Path	\$1,200	
Performance Path		
Energy Performance*	Rebate Amount	Energy Modelling Rebate**
20% better than	\$1,500	\$350
25% better than	\$2,200	
30% better than	\$2,900	
35% better than	\$3,600	\$500
40% better than	\$4,300	
45% better than	\$5,000	
50% better than	\$5,700	
55% better than	\$6,400	
60% better than	\$7,100	
65% better than	\$7,800	
70% better than	\$8,500	
75% better than	\$9,200	
80% better than	\$9,900	
85% better than	\$10,600	
at least 90% better than	\$12,000	\$750

*relative to the reference house and measured using the EnerGuide Rating System.

**energy modelling rebate not to exceed 100% of actual project modelling costs incurred.
